At the bottom, a red bar contains a play button icon and the text "WATCH THE VIDEO" in white.

Dear Brendan,

Terrorists are at war with our country. And we have a choice.

Either we use every tool available to fight and win the War on Terror ... or we heed the calls of Democrats who would censure and impeach the President for fighting the terrorists.

Watch our new web video, "Censure? Impeachment?," which outlines the stakes in this fight.

On September 11, the President made a solemn commitment to protect the American people. The President made his choice. And many Democrats are making theirs, calling a program to defeat al Qaeda terrorists inside the U.S. an illegal and an "impeachable offense."

Where do you stand? **Watch the video.** And take action by [signing our petition](#) against repeated Democrat attempts to weaken these efforts to fight the terrorists and keep American families safe.

Sincerely,

Ken Mehlman
