

Dear Brendan,

You've heard from us. Now, we want to hear from you.

As we formulate our strategy to win in November, we need your opinion. Enclosed in this e-mail is your official Republican Grassroots Voices Survey. Please take a moment to share your opinion on...

The most important priority facing our nation... why it's important that we retain our Republican majorities in November... how you'd like to get involved online... where you get your news... and anything else - by sharing your thoughts at the end of the survey.

Please be sure to return the survey as soon as possible. We will be sharing your thoughts with our leaders in Congress for their action. Your answers will be used to formulate a blueprint for victory in 2006 and 2008.

Politics is changing - and new technology empowers you to connect with our Party's leaders and elected representatives at the click of a button. Take a moment to fill out this important survey and tell our Party's leaders what you think.
