THE REPUBLICAN NATIONAL COMMITTEE

Dear Brendan,

For the last eight years, President Bush has led our country with firm determination and a steady hand in the face of numerous challenges and crises. He restored honor and integrity to the White House and protected America from another terrorist attack.

As President and Mrs. Bush prepare to leave Washington in a few weeks to return to Texas, I know I speak for Republicans and grassroots leaders across America when I say we are all grateful for their tremendous service to our country. To show our appreciation for our Commander-in-Chief, the RNC is asking every Republican to sign an electronic card that will be presented to President Bush before he leaves office. It is the least each of us can do to show our gratitude to the leader of our country and our Party.

And if you can, Brendan, I hope you will also consider giving a gift to keep our Party strong and moving forward. [Your secure online contribution](#) of \$1,000, \$500, \$100, \$50 or \$25 will go a long way toward helping the RNC provide the support our Republican leaders need to fight the Democrats' liberal agenda and prepare for the vital 2009-2010 elections.

I hope you will add your name to the RNC's Thank You card to President Bush and Laura Bush today. And thank you for your continued support of our Party and our cause.

Best Wishes,

*Help thank President
Bush and Laura Bush
for their outstanding
service and courageous
leadership of our
country and Party.*

SIGN THE CARD
